

November 17, 2008

To whom it may concern;

Traveltyme has provided outstanding travel services to New Jersey SkillsUSA for over 14 years. They always make sure our schools are well taken care of, and it's the personal touch that has made us loyal clients for many years. They are professional and courteous at all times, and we are glad to have their services available for all our state travel programs.

Sincerely,

Peter Carey
State Director
New Jersey SkillsUSA
